Dec 3

Dear Mr Weisberg,

I enjoyed speaking to you again (via my call to you a week or so ago when I was in Virginia); and so here is my order for Post Mortem and Whitewash IV.

I just heard Robert Sam Anson on a WOR, N.Y. radio interview this morning (The Arline Francis Show 10:15-11:00 AM) I guess his book is now officially published. Why couldn't it have been yours??!! The ironies of life! He's been studying the case for about a year.

Have a good holiday season and remember your fans (like me) who admire your energy & determination!

Warmly,

Elizabeth Moran O'Connor

after such a long time!
